25 YEARS OF EXCELLENCE IN MUMBAI-PALGHAR-THANE

About us

At Satya Realty, we have established ourselves as prominent Builders & Developers in the construction industry over the years. With our base in Mumbai, we have a rich legacy of 25 years in Mumbai -Palghar. We have crafted and transformed over 1.5 lakhs sq. ft. of prime real estate projects across coveted locales within Mumbai - Palghar. Despite our relatively short but dynamic history, we have achieved numerous milestones and are poised to tackle even more with determination and confidence.

We are recognized for our distinctive and meticulous approach to every project across Mumbai -Palghar and everywhere we go, employing contemporary skills and styles. To effectively manage future challenges, we have built a professional and highly qualified organizational framework. Our company's guiding principle is "Commitment meets no Compromise," and we adhere to this standard without compromise. Committed to making a positive impact and adapting to the evolving times, our team is leading in the building and construction sector.
